CORONAVIRUS COVID-19

SHOULD I REPORT TO SCHOOL?

Updated 9/21/20

START HERE

Have you tested POSITIVE for COVID-19 or are you waiting for a test result?

YES

Stay at home for at least 10 days from the first date of symptoms OR 10 days from your test date if you have no symptoms AND if you have been fever free for 24 hours without the use of fever reducing medication.

A NEGATIVE test is NOT REQUIRED to return to school.

NO

Have you been in contact with someone who have tested POSITIVE for COVID-19?

YES

Were you within 6 feet of a positive case for 15 minutes or more?

YES

Stay at home for 14 days after the last exposure to the positive case of COVID-19 AND monitor for symptoms taking temperature twice a day for a minimum of 14 days. (If at any point your child's temperature is 100.4 or higher, or your child starts developing symptoms, contact your healthcare provider.)

May return to school after 14 days if no symptoms develop. A NEGATIVE test is NOT REQUIRED to return to school.

NO

Report to school.

NO

Do you have COVID-19 symptoms?

YES

1. Stay at home.
2. Contact your healthcare provider for evaluation and need for testing.

You may return to school if a doctor determines that symptoms are due to another diagnosis or COVID-19 is ruled out, being fever-free for 24 hours without the use of fever-reducing medicine and improving symptoms.

All healthy siblings may continue attending school while ill student is evaluated for COVID-19.

NO

REPORT TO SCHOOL.
