

## **Waterford School District College Events**

Please be sure to have a current student email address registered on Career Cruising and check it often for information about college information and events.

### **College Admission Representative Visits to High Schools**

In the fall, college representatives visit the high schools to share information and answer questions. At Mott, these visits are encouraged for students of all grades. Students must sign up at least a day in advance and have teacher permission to attend the visit.

### **College and Financial Aid Night**

This is a very popular event. Nearly 1000 Waterford students and parents attend this event each year. Over 30 college, technical school and military representatives are available to meet one on one with students. Workshops regarding financial aid, college and scholarship information are provided. Waterford School District students, grades 8 through 12, and their parents are strongly urged to attend this event. Sponsored by Genisys Credit Union.

### **Just for Juniors**

Information session held in the spring to guide students and parents through the overwhelming college application process. Advice shared for increasing scholarship opportunities. Sponsored by Best Source Credit Union.

### **Reducing College Debt**

Workshop presented by Metro North Credit Union to help Waterford students and families manage the high cost of college without graduating with an unmanageable debt load.

Thank you, Best Source Credit Union, Genisys Credit Union and Metro North Credit Union for helping our students with these important events!
