

Message from the Waterford School District.

To Our AP Students and Families:

Starting last school year, CollegeBoard moved its Advanced Placement Program (AP) registration to the fall for exams. This change occurred as CollegeBoard identified that students who register and commit earlier to an AP exam have a greater likelihood of success and higher score on the exam as students are able to focus, practice and prepare for the exam earlier when making a fall commitment to test.

As a result, the 2021 AP exam registration window will take place Monday October 26, 2020 – Friday November 6, 2020 at 4:00 pm. Students will be able to register for this opportunity through an online registration form which will be shared on Monday October 26, 2020. Students will be able to make payment for these exams upon our return to in person learning through Friday December 11, 2020. If payment is not received by this date the registration will be cancelled.

The 2021 testing window for AP (Advanced Placement) exams is May 3rd through May 14th with late exams taking place on May 18th – 21st. Students will need to register during the November registration dates to take an exam. The cost for each exam is \$95.00. If students choose to register for a late exam date the cost is \$135.00.

A late registration window for 2021 AP exams will take place Monday March 1, 2021 - Friday March 5, 2021. For those wishing to register during this window there will be a late order charge per exam. The cost for each exam, during this window, is \$135.00 unless registering for a late exam date which will be \$175.00.

2021 AP Regular Exam Schedule

Date	Date - 8:00 am Start	Date - 12:00 pm Start
