**Haviland Elementary
2014-2015 School Annual Education Report**

March 30, 2016

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2014-2015 educational progress for the Haviland Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact Michelle Sullivan, Principal at Haviland Elementary School for assistance.

The AER is available for you to review electronically by visiting the following web site <https://www.mischooldata.org/NewAer/Default.aspx>, or you may review a copy in the main office at your child's school.

The state has identified some schools with the status of Reward, Focus or Priority. A Reward school is one that is outperforming other schools in achievement, growth, or is performing better than other schools with a similar student population. A Focus school is one that has a large achievement gap in 30% of its student achievement scores. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state.

Haviland Elementary School has not been identified as a school receiving the label of Reward, Focus or Priority School.

State law requires that we also report additional information.

PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL:

Students are assigned to their elementary, middle and high school buildings based upon established geographical boundaries at each level. Students from outside of the district are admitted through a School of Choice process in kindergarten and are placed at buildings based upon space available.

THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN:

The District received accreditation through the North Central Association starting in the 2009-2010 school year. This process placed district in the top 5% of districts across the country that have been designated as being nationally recognized.

Haviland Elementary School will continue to focus on the following school improvement goals:

Reading Goal: All students will become proficient readers. Our goal is to see a 10% increase as measured by the NWEA.

Writing Goal: All students will become proficient writers. Our goal is to see a 10% increase as measured by the District Common Assessment Rubrics.

Math Goal: All students will become proficient in mathematics. Our goal is to see a 10% increase as measured by the NWEA.

A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL:

Kingsley Montgomery School (KMS), formerly known as Montgomery Developmental Training Center, is a segregated special education facility that provides support for severe cognitive impaired (SCI), severe multiply impaired (SXI), post-secondary cognitive impaired (MoCI), and severe emotionally impaired (SEI) students.

Children’s Village School is a facility owned by Oakland County and operated by the Waterford School District. The school serves children in grades K-12 who have been adjudicated via the Probate Court for delinquency, neglect, truancy at home/school, or incorrigibility at home/school. These students come from all 28 school districts in Oakland County, other counties within the State of Michigan and also some out-of-State students.

IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION AND AN EXPLANATION OF THE VARIANCES FROM THE STATE’S MODEL:

The core curriculum can be assessed through the district website at www.waterford.k12.mi.us/curriculum/contact.htm. It was implemented in alignment with the State of Michigan which has a comprehensive curriculum for all grade levels. There are no variances from the state’s model.
