## Grayson Elementary 2014-2015 School Annual Education Report

April 2016

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2014-15 educational progress for Grayson Elementary. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Lynn Bigelman for assistance.

The AER is available for you to review electronically by visiting the following web site: <https://www.mischooldata.org/> or you may review a copy in the main office at your child's school.

The state has identified some schools with the status of Reward, Focus or Priority. A Reward school is one that is outperforming other schools in achievement, growth, or is performing better than other schools with a similar student population. A Focus school is one that has a large achievement gap in 30% of its student achievement scores. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state. Grayson Elementary School has not been identified as a school receiving a label of Reward, Focus or Priority School.

State law requires that we also report additional information.

### **PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL:**

Students are assigned to their elementary, middle and high school buildings based upon established geographical boundaries at each level. Students from

outside of the district are admitted through a School of Choice process in kindergarten and are placed at buildings based upon space available.

**THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN:**

Grayson Elementary will continue to focus on the following school improvement goals:

**Reading Goal:** All students at Grayson Elementary School will become proficient readers

**Writing Goal:** All students at Grayson Elementary School will become proficient in writing

**Math Goal:** All students at Grayson Elementary School will become proficient in math

**A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL:**

Kingsley Montgomery School (KMS), formerly known as Montgomery Developmental Training Center, is a segregated special education facility that provides support for severe cognitive impaired (SCI), severe multiply impaired (SXI), post-secondary cognitive impaired (MoCI), and severe emotionally impaired (SEI) students.

Children's Village School is a facility owned by Oakland County and operated by the Waterford School District. The school serves children in grades K-12 who have been adjudicated via the Probate Court for delinquency, neglect, truancy at home/school, or incorrigibility at home/school. These students come from all 28 school districts in Oakland County, other counties within the State of Michigan and also some out-of-State students.

**IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION, AND AN EXPLANATION OF THE VARIANCES FROM THE STATE'S MODEL:**

The core curriculum can be assessed through the district website at [www.waterford.k12.mi.us/curriculum/contact.htm](http://www.waterford.k12.mi.us/curriculum/contact.htm). It was implemented in alignment with the State of Michigan which has a comprehensive curriculum for all grade levels. There are no variances from the state's model.
