First Families, Hand in Hand, & Preschool Registration Packet

Blended Program for 3's & 4's

Our Blended Program is a classroom with two teachers (one teacher certified & experienced in early childhood special education and the other a highly qualified preschool teacher) and two assistants. It features the same High Scope curriculum as the other 3 and 4 year old programs, with the added benefit of a longer school year (September - June), lower adult/child ratio and a blend of children with and without IEP's.

First Families - For ages Birth to Three

First Families is a first school experience especially for children ages birth to three and their care-givers! Join us for weekly playful experiences designed to nurture the cognitive, physical and social-emotional growth of infants and toddlers and to make connections with other local families with young children! 10-Week sessions are \$100.00 per family.

Hand in Hand- For Twos

Not quite old enough for preschool? This is an interactive one-on-one preschool experience at Stepanski especially for children 30-35 months (as of 9/1/16 for the Fall semester). Accompany your little one for weekly experiences with music, movement, art and literature designed to support the unique developmental interests and needs of older toddlers. There are three 10 week semesters. The registration form is inside this packet. Start date: September 19. 10-week sessions are \$100 per child.

Preschool - For ages Three to Four

The district-wide preschool program provides high quality developmentally appropriate experiences for children ages three and four. Teachers implement High Scope curriculum, a research based hands on curriculum designed to expand your child's knowledge and skills in all developmental areas—language, physical, social, emotional and intellectual. The High Scope (highscope.org) curriculum defines the framework that guides daily learning opportunities in every classroom.

Preschool Parent Participation

Parent participation is considered essential and takes many forms throughout the school year. Participation begins with a required parent/guardian orientation meeting held prior to the beginning of the Preschool program. This is an opportunity to learn more about the curriculum and its connection to the Waterford School District Kindergarten benchmarks.

Preschool Eligibility

- Children must be three by September 1 for the three year old program and four by September 1 for the four-year old program.
- **Children must be potty trained— no pull-ups.**

2016-2017

Preschool Registration

Registration is for the entire 30 week school year for all classes. Classes will begin September 13, for three-year olds and September 14, for four-year olds. Enrollment will be accepted on a first come, first served basis according to the postmark via mail to the Preschool Office. Our office reopens for walk-in registration on August 11th at 9:00 a.m.

Preschool Confirmation

You will receive an **email confirmation** of your child's class along with information about the **required** parent/guardian orientation meeting date. The required green health appraisal forms will be available in our lobby throughout the summer or at your pediatrician's office. At the Parent Orientation you will sign up for a 30-minute assessment appointment to take place on either September 7th or 8th. There will be a Meet & Greet on Monday, September 12th

Classes begin September 13, for three-year olds & September 14, for four-year olds
