SELF-DEFENSE FOR CHILDREN

June 26 | 5:30-6:30pm | Ages 6+

Instructor: Live Safe Academy, LLC

If someone wants to hurt our children, they won't choose a time or a place with witnesses. That means no parents, no teachers, no police officers, just our children and the predator. The safety of our children will depend on their ability to recognize a threat and respond effectively. These fun, interactive and age appropriate workshops teach essential, life-saving strategies for prevention and real world techniques designed to reduce their risk of abductions, assaults, and other forms of violence.

#6714.014 \$15 Crary Campus

SAFE ON CAMPUS

July 11 | 6:30-8:30pm | Ages 15+

Instructor: Live Safe Academy, LLC

Statistically women are in the greatest danger twice in their life: when they are attending college and when they are senior citizens. But the most common crimes against women are easy to avoid if you know how to recognize the warning signs and you know what to do. Learn "real-world" self-defense for every-day people from an instructor who has taught self-defense in colleges since 2003. Don't let the lack of knowledge negatively change a life. The safety of your college student is worth this two-hour class.

#6714.015 \$35 Crary Campus

BABYSITTER SAFETY

June 24 | 9am-3pm | Ages 11+

Instructor: Live Safe Academy, LLC

Learn to be safe and responsible while building confidence. This one-day class will include first-aid, calling 911, CPR, fire safety, discipline, crime safety, and more! Please bring a bagged lunch and beverage.

#6714.016 \$55 Crary Campus

LEARN TO SWIM AGE 6+

Designed to help participants achieve maximum success, Learn-to-Swim courses are based on a logical, six-level progression that helps swimmers about 6+ years old and adults to develop their water safety, survival and swimming skills. (50 min. classes).

LTS Level 1 Introduction to Water Skills

Helps participants feel comfortable in the water.

LTS Level 2 Fundamental Aquatic Skills

Gives participants success with fundamental skills.

LTS Level 3 Stroke Development

Builds on the skills in Level 2 through additional guided practice in deeper water.

LTS Level 4 Stroke Improvement

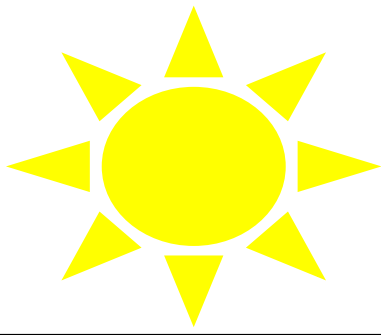

Develops confidence in the skills learned and improves other aquatic skills.

LTS Level 5 Stroke Refinement

Provides further coordination and refinement of strokes.

LTS Level 6 Swimming and Skill Proficiency

Refines the strokes so participants swim them with ease, efficiency, power and smoothness over greater distances.
