9/25/17
Picture Day

We still have about 30 openings in our
GSRP program for 4 year olds. If inter-
ested, please contact
Stepanski Early Childhood Center @
248-666-9593

9/28/17
Super Hero Fun Run Fundraiser

Dear Knudsen Families,

This year all Knudsen teachers are implementing the MindUP curriculum with students. MindUP is a comprehensive, classroom-tested, evidence-based curriculum that fosters social and emotional awareness, enhances psychological well-being and promotes academic success.

The MindUP classroom is an optimistic classroom that promotes and develops mindful attention to oneself and others, tolerance of differences, and the capacity of each member of the community to grow as a human being and a learner. Over the course of the MindUP experience, children learn about the brain and how it functions, in the process gaining insight into their own minds and behaviors as well as those of the people around them.

MindUP offers teachers and children insights that respond to the natural thoughtfulness of young people and lead to self-regulation of their behavior. MindUP is dedicated to the belief that the child who learns to monitor his or her senses and feelings becomes more aware and better understands how to respond to the world reflectively instead of reflexively.

Occasionally, we will be sharing things about our learning in the newsletter. In addition, every Monday morning at 9:00 we are practicing mindfulness at Peace Circle. Please feel free to join us!

Have a great weekend!
Laura Smith
