

Application Package for

***The Waterford Foundation
Dale Martin Scholarship***

Dr. Dale Martin was Superintendent of the Waterford School District from 1991-1994. Even though he is no longer a part of the Waterford School District, he continues to maintain a \$1000 scholarship awarded to a Waterford School District graduate who demonstrates potential to succeed in a specific trade, technical or health-related career. The student must be accepted to a trade, technical or community college.

General Instructions

Applicant must be:

- a high school senior attending a Waterford Public School

Scholarship Criteria:

- Acceptance to an accredited trade, technical or community college
- Pursuing a career in a trade, technical or health related field

Application Process:

- Complete this application and return it to your Counselor
- Include a copy of your acceptance into the school or college
- Deadline: First Friday in May
