Waterford School District Offers First Annual Parent Engagement Night

October 11, 2017, Waterford, Mich. – The Waterford School District will offer its first annual Parent Engagement Night on Tuesday, October 17, 6:00-7:30pm, at Pierce Middle School, 5145 Hatchery Road, Waterford. Free childcare is available for school age children.

The event is comprised of 10 different workshops, most only 40 minutes long. In addition, a two-hour window from 5:45-7:45pm is allotted for parents to visit the computer lab and receive Parent Portal support, the software used to provide parents information regarding their student's academic progress.

Workshops include: Above and Beyond Learning Opportunities, Attendance Tips and Tricks, M-STEP/MME Parent Connection, NWEA Parent Connection, Suicide Prevention, Supporting Reading at Home, Understanding Your Child's Math, English Language Program, and Your Kids Social Media. Workshop facilitators include Waterford School District staff and representatives from Common Ground, Waterford Coalition for Youth, and Waterford Youth Assistance.

"When parents and community get involved in a student's life, it provides a solid foundation for our students to thrive, says Superintendent Dr. Keith Wunderlich. If parents know what's going on in our schools and classrooms it's a win-win for everyone."
