School Motto: We are safe, respectful, problem solvers!

***DATES to REMEMBER**

Count day is February 14, 2018 **EVERY DAY COUNTS!**

To be successful students, children need to be in school every day. A child who misses more than 18 school days (2 per month) is suffering from chronic absenteeism. This is an early indicator of student success. Students who miss 2 to 4 days of school in September are 5 times more likely than those who missed fewer than 2 days to be chronically absent for the school year. When your child is absent from school 5 days, you will receive a call from the district to remind you of the importance of your child being in school every day. We care about your student and want to help them be successful.

& February 14th.
Is Valentines  Day!

All classrooms will be celebrating the day in individual ways. Please refer to the information that came home with your child on the way their teacher decided to celebrate.
