Grayson Elementary School Annual Education Report

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2016-17 educational progress for the David Grayson Elementary School. AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Lynn Bigelman, Principal, for assistance.

The AER is available for you to review electronically by visiting the following web site [Grayson Elementary Parent Dashboard](#), or you may review a copy in the main office at your child's school.

The Michigan Department of Education has revised their school designation system. A school can receive no designation, or it can receive one of the three designations described below.

For the results from the 2016-17 school year, our school has not received a designation.

PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL

In the Waterford School District, students are assigned to a school based on their home residence. Parents who wish to have their child (ren) attend a school other than their home school can request that option through our school selection process. Children's Village School services children who have been adjudicated there through the court system. Students are assigned to Kingsley Montgomery School from around the county through an Individual Educational Plan process.

1. THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN

Grayson Elementary will continue to focus on the following school improvement goals:

Reading Goal: All students will improve reading proficiency as measured by the DRA and the NWEA assessments.

Writing Goal: All students will improve writing proficiency.

Math Goal: Students will improve proficiency in mathematics as measured by common assessments and the NWEA assessments.

2. A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL:

Kingsley Montgomery School (KMS), is a special education facility that provides support for severe cognitive impaired (SCI), severe multiply impaired (SXI) and severe emotionally impaired (SEI) students. Kingsley Montgomery School currently provides center-based support for SXI and SCI students who are 3 to 18 years of age.

Children's Village School is a North Central Association accredited facility owned by Oakland County and operated by the Waterford School District. The school serves children in grades K-12 who have been adjudicated via the Probate Court for delinquency, neglect, truancy at home/school, or incorrigibility at home/school. These students come from all 28 school districts in Oakland County, other counties within the State of Michigan and also some out-of-State students.

5. IDENTIFY THE NUMBER AND PERCENT OF STUDENTS REPRESENTED BY PARENTS AT PARENT-TEACHER CONFERENCES

Grayson Elementary School holds [Student-Led Conferences](#) each year. Teachers, students, and parents come together at a set time to confer on both academic and individual personal goals and achievements. In November, we set a goal to have 100% participation from all stakeholders. We came close to meeting our goal with having 99% participation. This was an increase from the previous year, where we had 98% participation. Our priority is to have all parents involved in parent-student-teacher conferences.

Grayson Elementary School is proud to be recognized as a *Leader in Me* School and was awarded *Lighthouse* status, highest recognition from Franklin Covey. Grayson was the fifth recognized Lighthouse School in the state of Michigan. As a Lighthouse School, we shine the light for other parents and educators as they visit our school, speak with our teachers, and learn from our students. Last year alone, we had over 350 guests come to our school. Our students thrive in a culture built on trust, high standards, and recognizing the whole child. As a staff, we take great pride in empowering and inspiring our students to be the best that they can be in both their personal and academic lives. We hold high standards for creating an environment that excels in student achievement. The 2016-2017 was truly a great year for our students and staff!

Sincerely,

Lynn G. Bigelman, Principal
