Schoolcraft Elementary School Annual Education Report

April 2019

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2017-18 educational progress for Schoolcraft Elementary. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Alexandra Velez, Interim Principal, for assistance.

The AER is available for you to review electronically by visiting the following web site [Schoolcraft Elementary Parent Dashboard](#). or you may review a copy in the main at your child's school.

For the 2017-18 school year, schools were identified using new definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state. Some schools are not identified with any of these labels. In these cases, no label is given.

Comprehensive Support and Improvement (CSI)	Targeted Support and Improvement (TSI)	Additional Targeted Support (ATS)
<ul style="list-style-type: none"> • Lowest performing schools (Schools with an overall index value in the bottom 5%) • High schools with graduation rates at or below 67% • Additional Targeted Support Schools not exiting that status within 3 years 	<ul style="list-style-type: none"> • Schools with 1-2 student subgroups* performing at the level of a CSI School 	<ul style="list-style-type: none"> • Schools with 3 or more student subgroups* performing at the level of a CSI school

Our School was not given one of these labels for the 2017-2018 school year.

THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN

Schoolcraft Elementary continues to engage and inspire our staff to meet the needs of all students. Teachers meet in weekly Professional Learning Community teams to analyze student data and seek research based strategies to help support and challenge each student. Our staff participates in ongoing literacy work to provide intervention and enrichment to all readers. Teachers meet with their colleagues from around the district during Peer to Peer professional development to design and implement reading and writing techniques that will best match their students' needs. Additionally, our building leadership team has formulated comprehensive, yearlong improvement plans designed to continue our work in closing achievement gaps and building students social and emotional intelligence. Schoolcraft Elementary will continue to focus on the following school improvement goals:

Reading Goal: All students will improve reading proficiency as measured by the DRA and the NWEA assessments.

Writing Goal: All students will improve writing proficiency.

Math Goal: Students will improve proficiency in mathematics as measured by common assessments and the NWEA assessments.

In the Waterford School District, students are assigned to a school based on their home residence. Parents who wish to have their child (ren) attend a school other than their home school can request that option through our school selection process. Children's Village School services children who have been adjudicated there through the court system. Students are assigned to Kingsley Montgomery School from around the county through an Individual Educational Plan process.

Kingsley Montgomery School (KMS), is a special education facility that provides support for severe cognitive impaired (SCI), severe multiply impaired (SXI) and severe emotionally impaired (SEI) students. Kingsley Montgomery School currently provides center-based support for SXI and SCI students who are 3 to 18 years of age.

Children's Village School is a North Central Association accredited facility owned by Oakland County and operated by the Waterford School District. The school serves children in grades K-12 who have been adjudicated via the Probate Court for delinquency, neglect, truancy at home/school, or incorrigibility at home/school. These students come from all 28 school districts in Oakland County, other counties within the State of Michigan and also some out-of-State students.

Our core curriculum for all of our schools can be accessed on our districts website at <https://www.waterford.k12.mi.us/pages/50989/curriculum>. It is implemented in alignment with the state of Michigan which has a comprehensive curriculum for all grade levels. There is no variance from the state's model.

M-Step Scores:

		ELA	Science	Math	Social Studies
3 rd Grade	2017	54	N/A	50	N/A
	2018	71.7	N/A	58.3	N/A
4 th Grade	2017	65	17	53	N/A
	2018	57	17	44.3	N/A

5th Grade	2017	65	N/A	41	N/A
	2018	66.7	N/A	37.3	25

Over 95% percent of Schoolcraft parents attended parent teacher conferences during the 2017-2018 school year. We are proud of our growth and accomplishments this year. Schoolcraft staff is dedicated to developing students who have confidence, creativity and most importantly the ability to set goals and work hard to achieve them. We congratulate our students, teachers and parents on their hard work and efforts that make Schoolcraft Elementary a wonderful school. We look forward to the future years of collaboration and support.

Sincerely,

Alexandra Velez, Interim Principal
Schoolcraft Elementary
