**Waterford Board of Education Taps Lindberg as Next Superintendent**

Waterford, MI – In a unanimous vote at their April 30 meeting, the Waterford School District Board of Education selected Scott Lindberg to be Superintendent of Schools. Scott Lindberg comes to Waterford from nearby Huron Valley Schools where he serves as Assistant Superintendent of Administrative Services Human Resources.

"The Board is thrilled to have Scott come on board to lead our very talented, dedicated staff - he brings a wealth of knowledge about teaching, learning, and human resources," school board president Bob Piggot commented. "As a board, we were able to coalesce around Scott to lead Waterford School District because his passion for what is possible for our students is absolutely contagious!"

Lindberg and the board are currently in negotiations. Scott is expected to begin his work in Waterford on July 1.
