WATERFORD, Mich. – Kettering senior Nick Maggi has been named a Commended Student by the 2020 National Merit Scholarship Program. His high Selection Index score on the SAT/National Merit Scholarship Qualifying Test in October 2018 placed him in the top 3% of the 1.5 million students that entered the program. He is among 34,000 Commended Scholars in the nation, demonstrating exceptional academic promise. Following the PSAT, Nick went on to achieve an overall SAT score in the 99th percentile in the nation.

“Nick currently holds a 4.2439 weighted grade point average and has challenged himself with a rigorous course load of honors classes and seven advanced placement classes, in addition to honors orchestra,” said Kettering Principal Debra Cooper. “In short, he is an incredibly talented student with a very bright future.”
