

Career Cruising is an Internet-based career exploration and planning tool, available for all students grade 8-12, used to explore career and college options and develop a career plan. Career Cruising can be accessed from school, from home, or wherever Internet access is available. Features of the program include:

**Interest and Skills Assessment** - a world-renowned career assessment tool to help people identify suitable career options based on their interests and skills

**Career Profiles** - thorough and up-to-date information about hundreds of different occupations, including direct links between careers and college programs

**Multimedia Interviews** - interviews with real people in each occupation, which add depth and realism to career profiles

**College and Financial Aid Information** - comprehensive college and financial aid information, with a number of useful search tools to help students find the right college and the right scholarships

**Electronic EDP Tool** - available online, so students can develop their education and career plans from wherever they access Career Cruising

**Resume Builder** - integrated with the portfolio to help students format and print professional-looking resumes quickly and easily
