

Student Support Services

- **Homebound**

Homebound/Hospitalized Services are provided to a student with a medical condition that keeps the student from attending school. Parent(s) or an adult **must** be in the home at the time of the instruction. The student's classroom teacher(s) provides instructional materials to the homebound/hospitalized teacher who in turn takes the work to the student for completion, helps with any problems, and in addition returns work to the student's teacher.

- **Non-Public Schools**

The Waterford School District provides special education support services for students with disabilities attending registered non-public schools within the Waterford School District. Services such as speech therapy, physical therapy, occupational therapy, social work services and consultant services are provided for students per Individualized Education Plans (IEP's). [Click here](#) to view a listing of the registered non public schools found within the Waterford School District.

- **Project Find**

"Child Find" is a federal component of the individuals with Disabilities Education Act (IDEA).

"Project Find" is Michigan's term for "Child Find". The project is funded by the Michigan Department of Education, Office of Special Education and Early Intervention Services. Its purpose is to locate, identify and refer those individuals who may be eligible to receive special education services in Michigan.

"Project Find" searches for children and youth ages 3 to 26 years of age who have disabilities in areas such as physical, social-emotional, speech & language, or cognitive impairments that may affect his or her educational performance. These conditions may make the child or youth eligible for special education services provided by the public school system in Michigan. The services are governed by special education rules.

If you suspect your child may have a disability, please contact your child's Building Principal or Nadine M. Milostan, Executive Director for the Student Support Services Department which is a division of the Waterford School District. You may reach Ms. Milostan by calling: (248) 682-3242 or by email at: milosN01@wsdmi.org.

If you suspect your child age birth to 3 years of age may have a disability, please contact your local school administrator or: Mrs. Victoria Widman, Special Education Early Childhood Specialist at: (248) 666-9593 or by email at: widman01@wsdmi.org.
