Federal student aid comes from the federal government and assists with college expenses. Schools and states often use the FAFSA to award nonfederal aid. There are three main categories of federal student aid: grants, work-study and loans. Details about the different types of information can be found at www.studentaid.ed.gov or by calling 1-800-4-fed-aid.

In the fall of senior year, become familiar with the documents needed to complete the FAFSA, which are listed on the website.

College Goal Sunday

Each year, in early February, a free program called College Goal Sunday is offered to help students and parents prepared the FAFSA. It is held at dozens of locations across the state, several near Waterford.
