

WIA Adult Program

Workforce Investment Act (WIA) is a federal program that offers the opportunity to learn new skills needed to compete in the new economy.

The WIA Adult Program aims to increase the employment, job retention, earnings, and career advancement of eligible participants. This is achieved through career exploration, assessment, and training (skill-upgrading, occupational skills training, On-The-Job training) to further employment opportunities.

For more information or to join these programs please read and complete the forms under “How to apply” and then contact us at Oakland County Michigan Works! Waterford Career Center (248) 682-3289.
