

Oakland County MWA **Approved Training List**

The following No Worker Left Behind (NWLB) Training List has been approved by the Oakland County Workforce Development Board. These industries and occupational titles have been researched and present at least a minimum forecast of growth, demand, and wage in southeast Michigan. Training decisions will be made in consultation with a Michigan Works! case manager. Training approval will be based on a demonstrated potential and the ability succeed in a chosen field. NWLB training does not guarantee employment at the completion of training.
