

WANT TO AVOID THE CRAZY BACK TO SCHOOL SHOPPING RUSH?

Below are generic grade level supply lists for next year. Please refer to the list of the grade level your child will be entering next year. In the fall, your child's teacher may add an item or two, but the majority of the suggested supplies are listed. We hope this helps with the back to school rush!

- Every student needs a pair of clean light-soled gym shoes to be left at school for physical education class.
- Every student needs a backpack (no wheels, please) or book bag that will fit into a locker.
