

Riverside School
Suggested Supply List
2011-2012

Dear Parents,

While we provide required supplies for students, many students prefer to have their own school supplies. Many parents have requested to have these suggested lists early enough to take advantage of summer sales. These are the suggested supply lists from teachers for 2011-2012. (Note that some of the supplies, such as tissues, are for general classroom use)

Throughout the school year, pencils, crayons, glue sticks and loose leaf paper are always needed – so you might want to stock up at the Back-to-School sales.

- Because of space restrictions in lockers, **NO BACKPACKS WITH WHEELS** should be sent to school
- All students should have a pair of gym shoes that are to be left at school for gym class
