Re: Optional SAT and PSAT tests offered at Kettering High School

Below are some updates regarding state-mandated testing. Due to the coronavirus pandemic and the postponement of spring 2020 testing, testing will take place this fall. **Students need to be registered through Kettering High School in order to take the SAT or PSAT test on-site.** Please see the dates below. We are requesting our families to opt-in for testing by registering through the survey linked here. (https://forms.gle/MRM96dHOumoiRYan7).

Students and families will have until September 18 at 5 pm to opt-in and commit to testing on-site at Kettering High School. Seniors will have the opportunity to take the SAT with Essay (they must take all portions of the exam – including the essay). Although some colleges have changed their admissions requirements to "test-optional" (meaning you do not have to submit an ACT or SAT score), we ask parents to talk to their students to evaluate whether testing is the right decision for them. For updates regarding test-optional colleges and college admission policies, please refer to the links below or reach out to your child's counselor.

The PSAT is an optional practice college entrance exam that is being offered in-person on campus. Please see the respective tests and deadlines for reserving a seat below. Please note that students in 11th grade taking PSAT/NMSQT will participate in the National Merit Scholarship Qualifying Test. The 10th-grade students will be using this exam as a practice for future college entrance exams.

We understand that some families will opt out of these assessments for various reasons, some of which are health-related. We will be following the governor's state-mandated safety restrictions. Students will need to wear a mask in the building and complete a district health screen before entering on test day. Students who have confirmed their seats will receive follow up instructions before the test date. To plan for testing materials, staffing, and transportation, you or your student need to complete the survey to secure a seat by the deadline of Friday, September 18.

Grade	Test	On-site Test Date	Deadline to reserve a seat
12	SAT with essay	Oct. 14	Sep. 18 (through the survey)
11	PSAT/NMSQT	Oct. 29	Sep. 18 (through the survey)
10	PSAT	Oct. 29	Sep. 18 (through the survey)
9	PSAT	Oct. 21	Sep. 18 (through the survey)

STUDENT COUNCIL CAMPAIGN WEEK

Please exercise your right to vote!

Dear Kettering Families:

Help us kick off Virtual Student Council Executive Board Campaign Week 2020-2021!

This week, September 21-25, 2020, is Student Council Executive Board Campaign Week. This year our campaign will reflect the times and be entirely online. Candidates for office created digital flyers, have each done a campaign commercial/speech for social media, and created professional resumes. Our website, www.wsdmi.org/candidates, showcases all the candidates. We appreciate the support students give to our candidates as they are running for office to serve the student body. ALL students (including those in Waterford Virtual Academy) are permitted to cast votes this week.

Students will be able to cast their votes ONLINE beginning Monday, September 21 through Friday, September 25 at www.wsdmi.org/vote. Students may only cast votes one time for those members of their grade level. They are permitted to change ballots while working in the voting system. Once a vote is cast and the students is logged out of the system, the ballot is complete and cannot be changed.

Encourage your child to view candidate resumes and talk with the candidates online about their plans in running for office at: **www.wsdmi.org/candidates**. Thank you for your continued support of student activities.

ATHLETICS

FALL SPORTS SPECTATOR UPDATES

Families, Staff, and Community Members: As you have likely heard by now, Fall Sports have been reinstated by the MHSAA. Sports in an enclosed arena; Soccer, Volleyball, Swim and Football, are held to strict spectator limitations. Games will not be open to the general public at this time, and will be limited to up to 2 spectators per participant. Those who will be able to enter as a spectator for each game will be pre-determined amongst athletes, coaches, and the athletic department. These events will be strictly monitored, and there is no general admission.

We do plan to LIVE STREAM Volleyball, Football and Soccer. There is, however, a fee associated to watch these games through the NFHS Network.

2021 PRUDENTIAL SPIRIT OF COMMUNITY AWARDS

APPLICATION DEADLINE: NOVEMBER 10, 2020

Since 1995, recognizing young people for outstanding volunteer service

WHAT ARE THE PRUDENTIAL SPIRIT OF COMMUNITY AWARDS?

The Prudential Spirit of Community Awards were created in 1995 to recognize students in middle level and high school grades who have made meaningful contributions to their communities through volunteer service. These prestigious awards, sponsored by Prudential Financial in partnership with the National Association of Secondary School Principals (NASSP), are presented annually on the local, state and national level.

WHO IS ELIGIBLE?

Any student who:

- is in grades 5-12 as of November 10, 2020, and is a legal resident of one of the 50 states or the District of Columbia.
- has engaged in a volunteer activity that occurred at least in part after September 1, 2019.
- completes an application and submits it to a school principal or the head of an officially designated local organization by November 10, 2020.

APPLICANTS MUST SUBMIT COMPLETED APPLICATIONS TO ONE OF THE FOLLOWING:

- A middle level or high school principal
- A Girl Scout council
- A county 4-H organization
- An American Red Cross chapter
- A YMCA
- Points of Light Global Network Member

HOW DOES THE PROGRAM WORK?

1 Young volunteers in grades 5-12 complete applications online at spirit.prudential.com or nassp.org/spirit by November 10, 2020, and then submit them to their school principals or to the head of one of these officially designated local organizations: a Girl Scout council, county 4-H organization, American Red Cross chapter or YMCA; or a Points of Light Global Network member. Applicants and their parents or guardians also must complete the application form's signature page.

2 Each participating school or organization reviews the applications of its students and selects one middle level Local Honoree for every 1,000 students in grades 5-8, and/or one high school Local Honoree for every 1,000 students in grades 9-12.

3 Principals or organization heads certify applications of their selected Local Honoree(s) online by November 20, 2020.

4 The top middle level and high school youth volunteer in each state and the District of Columbia are named State Honorees in February, and two to 10 runners-up in each state are named Distinguished Finalists.

5 Ten of the State Honorees are named America's top 10 youth volunteers of the year by a distinguished national selection committee at a special ceremony in May.
