Superintendent's Recommendation 72-18-19

TOPIC: Head Start Personnel Policies

The OLHSA Governing Body, Policy Council, Delegate School Board and Delegate Policy Committee must use ongoing monitoring results, data on programmatic and school readiness goals and other information described in the Head Start Program Performance Standards and Head Start Act to conduct its responsibilities.

Accordingly, it is recommended that the Board of Education approve the Head Start Personnel Policies as approved by the Head Start Policy Committee.

Resource Person: <u>Lisa McFee, Assistant Superintendent, Teaching and Learning Services</u>

Board of Education Meeting: February 21, 2019\_\_\_\_\_\_

### WATERFORD HEAD START PERSONNEL POLICIES

Relates to Head Start Performance Standard(s) 1302.90 Personnel policies (a)(b)(c)(d) Overall Purpose of Policies:

The purpose of this policy is to establish written personnel policies and procedures that are approved by the governing body and policy council and govern the recruitment, selection, and evaluation of current and potential employees.

### (a) Establishing personnel policies and procedures

- Policy Committee will be involved in interviews of potential candidates for employment with Head Start.
- 2. Positions must be openly advertised so that all interested parties have an opportunity to apply(both Staff and Director positions).
- 3. Work with the Policy Committee to implement the recruitment, selection and approval process of candidates.
- 4. Encourage current and past parents to apply for jobs for which they are qualified.
- 5. Offer feedback regarding interview candidates to assist in hiring process.
- 6. With input from Policy Committee, management staff will take direct responsibility and make the final decision hiring candidates.

### (b) <u>Background checks and selection process Procedure:</u>

- Upon receiving an application for an open position, Head Start Director/Early Childhood Specialist will evaluate the application and/or resume, and transcripts to see if the applicant is qualified for the position.
- 2. If the applicant is qualified for the open position, the Director/Early Childhood Specialist will contact the applicant to schedule an interview.
- 3. If the Director/Early Childhood Specialist, Policy Committee Member and other Committee Members are satisfied with the results of the interview, then she can offer the candidate the job. When possible, the Director will interview a minimum of 3 qualified candidates.
- 4. \_If a candidate is selected for employment, HR will verify references, conduct a sex offender registry check and obtain one of the following:
  - (i) State or tribal criminal history records, including fingerprint checks, or
  - (ii) FBI criminal history records including fingerprint checks.

HR will review information found in each employment application and complete background check to assess the relevancy of any issue uncovered by the complete

background check including any arrest, pending criminal charges, or conviction and must use Child Care and Development Fund disqualification factors described in 42 USC 9858©(1)(d) and 42 USC 9858(h)(1) to determine whether the prospective employee can be hired or the current employee must be terminated.

A person is only hired for employment, after all background checks have been completed:

- (i) Whichever check listed in paragraph (b)(4) of this section was not obtained prior to the date of hire; and
- (ii) Child abuse and neglect state registry is checked, if available.

  Results are again reviewed by HR to ensure that newly hired employees, consultants, or contractors do not have unsupervised access to children until the complete background check process described in paragraphs (b)(1) through (4)(ii) in this section is complete.

Waterford School District's HR department conducts the complete background check for each employee, consultant, or contractor at least once every five years which must include each of the four checks listed in paragraphs (b)(1)-(4) of this section, and review and make employment decisions based on the information as described in paragraph (b)(3) of this section.

Current and former program parents are always encouraged to apply for employment vacancies for which they are qualified.

\*\*\* The State of Michigan is working on a process where we have a candidate's information sent to them and they will conduct all fingerprint checks, both state and FBI, as well as child abuse and neglect, and sex offender registry. OLHSA will not need to conduct additional fingerprint checks once this process is in place.

#### (c) Standards of Conduct

- (1) Waterford Head Start ensures that all staff, consultants, contractors, and volunteers are trained and follow all applicable codes of conduct related to their position. Codes of conduct follow all State of Michigan licensing requirements, Head Start requirements, High/Scope conflict resolution guidelines, and NAEYC Ethical code of conduct requirements. (i)(ii) All staff are trained in positive guidance strategies. This may include High/Scope conflict resolution and Trauma Smart.
  - (a) During new employee orientation, staff is introduced to the NAEYC code of ethical conduct. Staff are given an overview of the code of ethical conduct, concentrating on Principle 1.1 "Above all, we shall not harm children. We shall not participate in practices that are emotionally damaging, physically harmful, disrespectful, degrading, dangerous,

- exploitative, or intimidating to children. This principle has precedence over all others in this code."
- (b) Additionally, staff are trained on "What is inappropriate behavior towards children?" This document is very specific, detailing what inappropriate behavior towards children looks like. Every new staff member is trained and signs this document. The Stepanski employee handbook outlines staff conduct, including penalties for not adhering to policy.
- (c) The classroom climate is formally evaluated using the CLASS tool twice during the school year. The CLASS tool includes a measurement of positive climate and negative climate. If a classroom's score indicates a need for support in either of these areas, the appropriate management personnel is contacted to provide support.
- (d) Second Step is used to also support the children with Social Emotional coping skills.
- (iii) Staff promote and exemplify respect for all people, and do not engage in stereotyping or bias of any kind. Staff receive training in this area on a yearly basis at minimum. The Stepanski employee handbooks outline Head Start/licensing policy, including penalties for not adhering to policy.
- (iv) Staff also receive training on the confidentiality policy as defined by OLHSA standards, as well as subpart C of part 1303 and applicable federal, state, and local laws. The Stepanski employee handbooks outline Stepanski/Licensing policy, including penalties for not adhering to policies.
- (v) Waterford Head Start staff, consultants, contractors, and volunteers are trained on the crucial importance of no child ever being left unattended at any time, for any reason. The Stepanski Early Childhood Employee handbook outlines, including penalties for not adhering to policy.
- (d) Missing Student Policy and Disciplinary Action
  - (1) Teachers will follow the missing student policy approved by the Policy Committee.
  - (2) If it is deemed that a teacher, teacher assistant or staff member violated the missing student Policy, then a meeting will be arranged with the Center Director. The Director and staff member(s) will together fill out an action plan to avoid having an incident occur again. Both the Center Director and the staff member(s) involved will sign the action plan.
  - (3) The Action Plan will be submitted to OLHSA. OLHSA will then determine if any further action is needed.
