TOPIC: Kids Read Now

To combat the spread of COVID-19 in Michigan, Governor Whitmer signed the "Stay Home, Stay Safe" executive order. This order means an additional summer learning loss opportunity for students due to the cancellation of our district's unique book lending program, Sweet Reads.

The Waterford School District is looking to offer an alternative summer reading program for all JK-3rd grade students that meets the phases of the "Stay Home, Stay Safe" executive order and aligns to our state's Read By Grade Three Law.

The program is titled, *Kids Read Now*. It is a low-tech reading plan designed for students who are away from traditional learning. The program details are outlined as follows:

- Each JK-3rd grade student in the district will select 6 books they are interested in and want to read
- The variety of books to choose from are multicultural, bilingual and classroom favorites
- One brand new book will be mailed out weekly that is theirs to keep
- Guided discussion questions will be included to help parents connect with their children over reading and encourage better comprehension
- A bonus book of beautifully illustrated creative writing prompts will also be included in this opportunity

The cost of this program is \$34.95 per student with a total cost of \$80.874.30.

<u>Funding sources to support the costs of this purchase include a donation from the Waterford</u>
Foundation, an MDE Summer School Reading Program Grant and Federal Cares Act Funding.

The present project the removal of flooring and other miscellaneous materials.

The following is Nova Environmental, Inc.'s recommendation regarding the selection of the asbestos abatement Contractor for the Waterford School District project.

BID NO.	Building	g Contractor

This recommendation is based upon the following factors:

- 1. The bid from the Contractor was the low bid.
- 2. The Contractor has performed similar projects.
- 3. The contractor has acknowledged the requirements of the project scope and schedule.
