LETRS & HMH Into Reading Alignment

- **LETRS** builds educator understanding of how students learn to read through the **Science of Reading**
- **HMH Into Reading** is a **Structured Literacy curriculum** designed to apply those research-based principles in daily instruction.

- Both are aligned to **Scarborough's Reading Rope**, addressing:
 - Word recognition (phonics, decoding, spelling)
 - Language comprehension (vocabulary, knowledge, language structures)

- HMH Into Reading provides **explicit, systematic instruction**, knowledge-building texts, and embedded assessment aligned with LETRS training
- Together, LETRS and HMH Into Reading ensure **strong teacher knowledge + consistent, evidence-based classroom practice.**
