Asia Rawls

Graduated:

Class of 2009, Waterford Mott High School

Where can you find her now:

Asia was featured in the Michigan Chronicle Under 40 (2018) and Crain's Detroit Business Magazine Top 20 In Their Twenties (2019). She is currently a full-time IT Project Analyst and also serves as a Running Ambassador with Asics and is the founder of the Detroit running group WeRun.

Waterford Mott has helped my career by making sure I was well prepared as a student and athlete. The school district made sure that we were held accountable for attending class, attending practice and building resources for the future.”

The athletic resources and coaches made sure that we were winning at the highest level. The coaches were very serious about us coming to practice; that seriousness has allowed me to have the discipline that I have today with everything I do. Waterford Mott showed me you don't cut corners, even if you are a top performer.”

Waterford Schools pushed me out of my comfort zone and challenged me to reach further and find new ways to serve. From being inspired and supported by faculty and administration to start one of the first recycling programs in Waterford Schools when I was in high school; Waterford Schools prepared me for college and a career where I get to put service to myself, be creative and solve problems in my living. ”

Kayleigh Ehlke

Graduated:

Class of 2008, Waterford Kettering High School

Where can you find her now:

Kayleigh is Physical Therapist at Team Rehabilitation in Shelby Township, MI. Find more information at Team-Rehab.com

Alumni Spotlight

My teachers at Kettering have helped instill a love for learning and passion for the arts and sciences that drove me to continue to be successful and pursue my love for the human body. Mr. Burrelland Mr. Stewart encouraged me to continue my path and help others heal themselves through the power of movement. ”

About Waterford School District

Education of our students is our primary focus. Our students are successful because parents, staff and the community share high expectations for instruction and student learning. We stress quality. Our students and staff are challenged to excel.

We offer dynamic opportunities for students, including STEM-based Learning, an innovative STEM Academy and a commitment to early childhood learning by moving our current program into a new, state-of-the-art program Early Childhood Center - construction to be completed in fall 2024.

We offer academic programs, as well as our competitive wages and fringe benefits - including health care and leave and retirement plans - make Waterford School District a top choice for both students and job seekers in Oakland County and the state.

About Waterford Township, Michigan

Waterford Township is an incredible place to work and live. With its convenient location in the center of Oakland County, everything is within reach.

Our most prominent attraction is our 54 lakes providing beauty and recreation for all seasons, including swimming, boating, fishing and ice skating. Waterford Township has something for everyone with our top-notch municipal services, the robust business community and the award-winning Waterford School District.

Come and see for yourself why people are proud to call Waterford Township their home and why it is a great place to live, work and play!
