It has been GREAT to see students return to Kettering. **Hallway behaviors have been excellent and students have been engaged in their classrooms.** I have loved seeing the smiling faces of students and staff and connecting with parents at games and on the phone.

As we look ahead to week three and beyond, we have a few updates we'd like to share.

Our front office renovation is finally complete. We are now fully moved in.

As you enter the main office, you'll see a new smiling face to greet you. **Mrs. Kidwell is our new fantastic attendance secretary.** Mrs. Kidwell has been a long-time Kettering staff member and is excited for the new role.

Please be mindful of bus traffic on Bender Ave, at dismissal time. We've had heavy traffic for student pick ups, and a few cars have blocked the buses. **If you are picking up your student, please**

be sure to not block the Bender gate.

We will soon have a trained, certified therapy dog, courtesy of a generous grant from LaFontaine Automotive. His name is Wilson and he is adorable.

Your student is always welcome to pack a lunch. **Please know we do not permit DoorDash or Uber Eats.** We also ask that students please avoid regular food drop offs from friends and family. If you have specific concerns or questions, please contact the main office or an administrator.

One last note, we are excited to resume our monthly **Coffee With the Principal** meetings this year. They will be the last Wednesday of the month, from 6 to 7:30 pm. Our first meeting will be September 28, in our new conference room. We hope you consider joining us.

Student Success:

We are dedicated to making your student's experience the best it can be at Waterford Kettering. We look forward to serving your family. Please reach out if there is anything you need.

For a classroom issue, please make sure you and your student begin with the classroom teacher.

For a concern about your student's overall well-being, begin with their counselor.

-Ms. Hudson (F-La): hudsoa01@wsdmi.org

-Mr. Hembree (Le-Ro): hembrk01@wsdmi.org

-Ms. Nicholls (Ru-Z): nicholk01@wsdmi.org

For a concern you think the administration can help you with, reach out to our team.

Lori Taylor, AP (Grades 9, 12): 248-674-0216

MiSTAR Parent Portal is a great resource for checking your student's attendance and grades. If you need help setting up your Parent Portal, let us know! You will also receive an invitation from Google Classroom to join your student's Google Classrooms. This is a great resource to getting weekly parent updates. Be sure to accept the invitation when it comes to you!

Attendance / Tardies:

Being at school is the best way to ensure student success. **Every day counts!** Please make your best effort to ensure your student arrives in plenty of time for first hour, which begins at 7:20. The doors open at 7:00 each morning.

If your student will be absent, make sure you call the attendance line and let us know. If your student had a doctor appointment, be sure to have them turn in the note from the doctor and the absence can be marked as exempt.

Students are also expected to be on time to each class throughout the day. It is helpful if you can discuss this with your student prior to the start of the school year. Attendance calls will go out when students are tardy or absent. You can check MiSTAR Parent Portal to verify the specific hours your student was marked absent or tardy.

Attendance Line: 248-673-6440

Electronic Devices:

We are so excited that each student will be issued a Chromebook this year on the first day of school to use for schoolwork! Please make sure your student charges their device fully each night and brings it each day. Students will be able to use their Chromebooks for academic purposes. Watch for the handbook regarding these devices.

Cell phones / earbuds / other electronic communication devices will not be permitted in the classroom. Each classroom will be equipped with a holder for cell phones and students are expected to put them in there as they enter the classroom.

Districtwide, students are prohibited from using or possessing active (i.e., turned on) electronic communication devices in restrooms, locker rooms, offices, and other locations where students and staff have a reasonable expectation of privacy.

Backpacks / Jackets:

Districtwide, students are expected to keep their backpacks and jackets in their lockers throughout the school day. This includes letterjackets. Sometimes classrooms may be cool. We suggest students keep an extra sweat-shirt in their locker for this reason.

Code of Conduct:

Students are expected to follow the Waterford School District Code of Conduct at all times when they are on school property, at school events, or traveling to and from school.

Dress Code:

Students are expected to dress in a manner that is not disruptive to the educational process. Students may not wear anything that references drugs, alcohol, sex or violence. If a student is wearing an item that is deemed inappropriate, they may be asked to change their clothes or cover up any inappropriate item.

DONORS NEEDED:
Support our
Captains of the
Week

We are excited to recognize and reward achievement inside and outside of the classroom — and we are asking for your help.

Every day, our teachers nominate students to be our Captains of the Week.

These nominees are entered into a weekly prize drawing, where our honoree is selected every Friday.

If you or your business/company would like to help sponsor or recognize these outstanding students, please contact the main office to see how you can help. No gift or coupon is too small.

We'd love to give you a shout out in our newsletters!

Thank you!
