

AP Economics

Did you know
that 54.8% of
Americans fear
an Economic
and/or
Financial
collapse?

Take AP Econ
and learn how
NOT to be a
statistic!

What do we do?

In our class we:

- Do NOT write essays OR DBQs!
- Follow very specific rules
- Learn the rules = master the content
- Learn new theories = apply to real world examples
- Understand how govt policies affect you!
- Complete tasks together - along with mini-projects and simulations.
