February 2025

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2023-24 educational progress for Riverside Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Erica Rolack, Principal, Riverside Elementary School for assistance.

The AER is available for you to review electronically by visiting the following website [Riverside Elementary School Combined Report](#), or you may review a copy in the main office at your child's school.

For the 2024-25 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2023-24. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state, had a graduation rate at or below 67%, or failed to exit ATS status in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school was not given any labels for the 2023-2024 school year.

We will continue to address gaps and work toward improved achievement by focusing on the Science of Reading through Structured Literacy Approach, with a strong focus on word recognition. Through foundational skills instruction and language comprehension, along with knowledge building, vocabulary instruction and writing, which support our reading curriculum. K-5 instructional staff are engaging in LETRS training, professional development to implement research supported practices of the Science of Reading. This is in collaboration with Lexia's professional development learning program.

State law requires that we also report additional information

PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL:

In the Waterford School District, students are assigned to a school based on their home residence. Parents who wish to have their child(ren) attend a school other than their home school can request that option through our school selection process. Children's Village School services children who have been adjudicated there through the court system. Students are assigned to Kingsley Montgomery School from around the county through an Individual Educational Plan process.

THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN:

A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL:

Kingsley Montgomery School (KMS), is a special education facility that provides support for severe cognitive impaired (SCI), severe multiple impaired (SXI) and severe emotionally impaired (SEI) students. Kingsley Montgomery School currently provides center-based support for SXI and SCI students who are 3 to 18 years of age. Children's Village School is a North Central Association accredited facility owned by Oakland County and operated by the Waterford School District. The school serves children in grades K12 who have been adjudicated via the Probate Court for delinquency, neglect, truancy at home/school, or incorrigibility at home/school. These students come from all 28 school districts in Oakland County, other counties within the State of Michigan and also some out-of-State students.

IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION, AND AN EXPLANATION OF THE VARIANCES FROM THE STATE'S MODEL:

The core curriculum for all of our schools can be assessed through the district website at <https://www.waterford.k12.mi.us/academics/resources-information/curriculum>. It is implemented in alignment with the State of Michigan which has a comprehensive curriculum for all grade levels. There are no variances from the state's model.

THE AGGREGATE STUDENT ACHIEVEMENT RESULTS FOR ANY LOCAL COMPETENCY TESTS OR NATIONALLY NORMED ACHIEVEMENT TESTS:

[Riverside Elementary School Combined Report](#)

IDENTIFY THE NUMBER AND PERCENT OF STUDENTS REPRESENTED BY PARENTS AT PARENT-TEACHER CONFERENCES:

Ninety-two percent (92%) of Riverside Elementary students were represented through parent participation in parent-teacher conferences this school year.

We are proud of the work our Riverside students and families do to ensure learning continues. We are not identified as any form of target school which takes the teamwork of the community. We strive to always improve and are focused on staff learning and research based practices. We encourage our families to help students get the most from this learning by being present for school all day, every day that illness does not prevent them from doing so.

Sincerely,
Erica Rolack, Principal
Riverside Elementary School
