Waterford Foundation for Public Education

RECOGNIZING AND PROMOTING EXCELLENCE IN TEACHING AND LEARNING

The Waterford Foundation, established in 1984, exists solely to promote and recognize excellence in teaching and learning. Private funding for projects, ranging from district wide music and arts programs to modestly budgeted classroom literacy activities, are provided by the Foundation. All funds are derived from donations and/or fundraising activities.

The Board of Directors are former educators, parents, business owners, and other community leaders who are conscientious stewards of the Foundation's assets who are committed to adhering to the mission and founding principles of the organization.

The Waterford Foundation is a charitable, non-profit organization focused on providing funding for innovative, out of the ordinary, and out of budget initiatives for the Waterford School District. Over \$2.2 million in grants has been provided to assist in developing exciting and innovative programs or projects that enhance curricular and extracurricular opportunities for students.

Students, parents, educators, and community members are invited to attend a prominent awards banquet where a keynote address is delivered by a distinguished Waterford School District graduate.

Teacher of the Year provides annual recognition of outstanding educators in the Waterford School District. It is an affirmation of the value the Waterford community places on the educational excellence and the critical role the classroom teacher plays in providing it. The Teacher of the Year receives free use of a vehicle of their choice for two years from Suburban Ford. The Teacher of the Year is honored, along with all nominees, at the Excellence in Education Reception.

Durant High School Most Improved recognizes and awards students from Durant High School for significant improvements made in their academic standing during this quarterly luncheon.

The **Annual Golf Outing** is not only a fundraising event, but honors an outstanding Waterford School District graduate who has achieved success and is active in service to their community.
