ACES Walk

Students and staff participated in ACES walk this year that happened on May 1, 2024. All Children Exercising Simultaneously (ACES) started in 1989 to encourage children to exercise and promote healthy habits. Schools across the nation participated in the event. The Kingsley walk, organized by Mrs. Scolaro, encouraged students to enjoy some great activities followed by a healthy snack of fruit and a water bottle to fill and take home.

Staff Wellness and Fitness

During the month of May, the WEB committee challenged staff members to be involved with Healthy You Bingo. Each week staff were challenged with different types of activities that were physical, mental, or nutrition related. Staff were then awarded tickets for each "Bingo" they completed on the card. These tickets were put into boxes and winners were chosen for gift baskets. Thank you to all the staff that participated, it was a great activity.

** Not pictured is Ms. Viv Miller our Cafeteria cook who won a fun filled bag with summer activities and a gift card to Dairy Queen. **

Year End Carnival

The year end carnival is the highlight of the school year. The WEB committee starts the planning as soon as the school year kicks off. With volunteers manning games and providing refreshments, staff enjoyed the carnival with all the students. This year we had Chamberlain Pony Rides bring a petting zoo with a horse, a pony, and other animals for the students to enjoy.
