#### **The WHY of Our Point System**

- To create a higher student involvement.
- To provide more accreditation towards members.
- To create a higher participation-rate among members.
- To provide motivation towards hard work and dedication.
- To award those who "go above and beyond".
- To allow members to monitor their own involvement in Student Council activities.

To provide a proper means of evaluation for advisers and members of the Executive Board, to make continued improvements through a coordinated and consistent process of accountability.
