Senior Citizen Holiday Dinner—Community Service Project

Color Blast 5K! at Hess Hathaway Park, Waterford

Senior Citizen Holiday Dinner

Every year, Student Council hosts a holiday dinner for senior citizens. Senior citizens from all over Waterford enjoyed a lovely dinner and music. Waterford Kettering's own chamber choir sang a wonderful variety of holiday songs for the senior's entertainment. Also, members of our Student Council and Leadership teams prepared and served meals to the senior citizens. The students prepared food trays for the senior's while others assisted in serving the meal and attending to the needs of the seniors. The delightful meal was prepared by the Waterford School District Food Service Department and consisted of salad, turkey and gravy, and a delicious assortment of desserts made by our Student Council. This dinner was completely free for the Senior citizens and is a great way for them to go out and have a good time. This year, there was over 100 senior citizens in attendance. The holiday dinner occurred in Kettering cafeteria, where students had beautifully decorated with snowflakes, snowman and other holiday décor. The senior citizen dinner is a wonderful cause and Student Council hopes to continue to grow this event in years to come.
