ITEM NO.:	NEW BUSINESS b (2) Superintendent's Recommendation 21-23-24
TOPIC:	Early Childhood Center Playground Installation

As part of the 2020 Bond, approved by voters on August 4, 2020, a new Stepanski Early Childhood Center (ECC) building was included. The new building will be positioned on the same parcel as the existing one but in a different location. This will allow the programs currently at Stepanski to continue during construction. With the location change of the building, the playground is also being moved.

It is recommended that the Board approve the installation of the playground equipment to Michigan Recreational Construction Inc., for the base bid, in the amount of \$164,500.00. Funding for this bid comes from the 2020 Bond Series 2.

It is not recommended to move forward with Alternate #1 or Alternate #2.
