Why I want to be Secretary

- To make a difference in the school atmosphere and community
- To bring forth the ideas of my peers to school administration
- To make a change at Kettering
- To support clubs and activities
- To help protect the environment
- To be a good listener and show support for my peers

What NEW leadership will I bring

- I'll bring a fresh pair of eyes to look at different situations
- I can inspire others to have a voice
- I will build trust so nobody feels unsafe

- I'll always have an open mind and respect everyone for who they are
- I have lots of ideas for improving Kettering

What makes ME different

I'm always optimistic and see every opportunity for what it can be. I actually want to make the school a place where kids enjoy being. I think about things logically and always try my best to choose the option that effectively makes a difference. I will listen to what the students have to say and try to get them more involved in the school. I also have a whole bunch of ideas on how to make Kettering a better place. In order to make that possible, **VOTE ARABELLA GLASS FOR JUNIOR SECRETARY!**
